

Information on several funds that support the Shriners Hospitals for Children – Twin Cities, the Womens General Auxiliary and Zuhrah Transportation Fund.

The following are 501(c)(3) charitable organizations/funds:

Shriners Hospitals
for Children™

Shriners Hospitals for Children-Twin Cities (SHFC-TC) Patient Recruitment Fund

- The SHFC-TC is developing a physician referral program targeted to increase patient referrals from the medical community as well as increase awareness about our high quality medical staff and services. However, the hospital does not have any literature or marketing materials to leave behind for these providers, compared to Gillette who has a vast array of resources and materials positioning themselves as the premier provider in the area. The point is that we need to start to compete and the first step to doing that is through educating the medical community and presenting ourselves in a very professional manner with new brochures and collateral.
- The fund is established to pay for the new brochures as well as exhibitor fees and other professional networking opportunities. Your support to this program will help the hospital educate the communities and medical professionals about the treatment and care at the Shriners Hospitals for Children-Twin Cities allowing us to care for more children.

2025 East River Parkway, Minneapolis, MN 55414

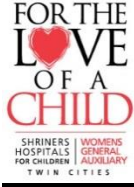

Shriners Hospitals for Children-Twin Cities, designated for Child Life Activities

- The SHFC-TC sponsors, through donations, several events for the patients:
 - **Camp Achieve**, summer camp for patients at SHFC-TC. Children of all ages participate in summer activities such as, fishing, swimming, paddle boarding, zip-lining, horseback riding, etc.
 - **Camp Bravo**, offered at the SHFC-TC, is a week-long theater camp. At the end of camp, kids perform a musical for families and staff.
 - **Camp Splash**, swim camp for patients of SHFC-TC in conjunction with Foss Swim School. Teaches children how to be comfortable in water.
 - **Camp Real World**, a camp for teens at SHFC-TC, is about fun and where teens learn skills needed as they transition toward more independent living.
 - **No Boundaries Sports Camp**, sports camp for patients of SHFC-TC, in conjunction with Courage Center of Minneapolis. Paralympian coaches help children learn and play sports with use of a wheelchair.

- **Prom Night**, for SHFC-TC patients and their friends. Volunteers assist patients with hair and make-up. The hospital also hosts a Prom Store a month before the Prom to allow patients to select donated formal attire and accessories.

Check payable to: Shriners Hospitals for Children-Twin Cities (designate to CAMPS or PROM in the memo line)

Zuhrah Transportation Fund

Zuhrah Transportation Fund

- Zuhrah Nobles, through its Transportation Fund, provide local transportations to patients treated at the Shriners Hospitals for Children-Twin Cities. The Transportation Fund also provides transportation and lodging reimbursement to the family of Twin Cities area patients who are treated at other Shrine Hospital facilities such as Cincinnati OH Burn Unit or Chicago IL Cleft Lip and Palate Unit.

Check payable to: Zuhrah Transportation Fund
